

**Built-In Support Leotards** are *ProTECH™* 90% Nylon, 10% Spandex that feature a Built-in Seamless Bra. These leotards are ideal for dancers who desire extra support and lift to profile the perfect bustline. The inner bra molds to dancers shape by offering maximum support while giving lifting but minimal shape to enhance the figure with no back clasps or hardware. The natural comfort fit and technically superior fabric keeps the body cool during workouts and practice.
