

**totalSTRETCH® totalSUPPORT™ Under Wraps** are made of lightweight, supportive 88% Matte Nylon, 12% Lycra® and are designed to be worn as a second skin under tight fitting clothing. These garments feature the 80% Nylon, 20% Lycra® power mesh **totalSUPPORT™ INNER BRA DESIGN** with front and back support, seamed and gathered shaping cups, an elastic holding band with flattering separation panels all engineered to provide support and shape without wires. Adjustable and removable, the “invisible” elastic straps match to any skin tone. Leotard features a **memorySTRETCH™** crotch lining and center backseam (no side seams) for a perfect fit and maximum comfort.

**totalSTRETCH®
