

Contemporary Step Separates is a medley of dance clothing for a type of Liturgical Dance style called **Stepping** or **Step-Dancing**. Step-Dancing clothing consists mostly of greys, whites, blacks and camouflage colors with multifunctional use ideal for other dance styles and streetwear while catering to youth and teens.

Liturgical **Step-Dancing** is a form of percussive dance in which the participant's entire body is used as an instrument to produce complex rhythms and sounds through a mixture of footsteps, spoken words and hand claps. Stepping may be performed by an individual, but generally performed by groups of three or more, often in a line formation or in arrangements resembling a military formation. Dancers like this style of dance as the group gets together for rehearsals and dance in unison while creating music with their bodies.
