# Costume concepts

**ReMix** is the name given to the **ALL NEW** Competition & Recital Section of this catalog. This amazing section features unlimited potential as it has been updated to reflect the trends being worn for various dance performances. Costumes and performance components are carefully chosen by choreographers, teachers, studio owners, etc to enhance the dance and to be worn by performers dancing Classical Ballet to Modern to Hip Hop and more. Due to the large number of possible combinations achieved by intermixing and intermingling, this collection was named **ReMix**.

**ReMix** fills many dancewear needs for the beauty of **ReMix** is the joining of a vast medley of silhouettes with many color options, including basics to create unique combinations. Remixing lends itself to performancewear at a reasonable cost while *Body Wrappers* consistent sizing allow the styles to fit with perfection. Styles are durable, washable and can be worn again and again. Outfits are coordinated with a variety of components that join dance and imagination to **ReMix** special costumes that can then be **ReMixed** into other costume(s) for the next performance.

**ReMix** is available in the new Costume Concepts catalog as well as for viewing on-line. The trend setting, fantastic looking costumes are distributed by dance retailers globally. Delivery ranges from in-stock up to four weeks; depending on styles.
