Worship Dance Sizing

To maintain the best possible fit we follow consistent size specifications. Our Worship Dance clothing is cut based on standard size measurements to help ensure you order the correct size. Please measure accurately and compare your measurements to our sizing chart for a perfect fit.

DETERMINE YOUR SIZE:

Use a soft tape measure to determine the following:

BUST: Measure all the way around fullest part of bustline.

WAIST: Measure all the way around smallest part of waist.

HIPS: Measure all the way around fullest part of hips. (Adults approximately 8" below waist.)

GIRTH: Lay the tape measure with someone's help in a circle from shoulder at the neck, down under the fullest part of bust, through center of the crotch and back up to starting point at shoulder.
